CELEGRATED ARABIAN LINIMENT TRIUMPHANT OVER DISEASE. THIS celebrated medicine, skillfully composed as it is of the most healing belsams and penetrating oils, can never tail to cure almost every affliction that could be alleviated by an external remedy. Its superiority over all other Idni-ments is proven by the miraculous cures it performs, and by the grest and conclusify increasing demand. There has been sold within the past year more than THRES MIL-LIONS OF BOOTLES, and there can be but few persons found who do not bestow upon it the highest praise for the rare virtues it presents. Nothing, perhaps, since the creation of the world, has been so successful as an external remedy for all nervous diseases, as this wondorful curative. When applied, it instantaneously diffuses itself through the whole applied, it meantaneously diffuses fiscil through the whole agreem, anothing the irritated nerves, allaying the most increase pains, and creating a most delightful sensation. Read the following remarkable cure, which can be attested to by hundreds who were fully acquainted with the whole circum-CHRONIC ENLARGEMENT OF THE TONSILS.

My daughter, when six months old, was taken with a swelling in the tensils, which grew larger and larger, till when six years old she had great difficulty in swallowing he find. Every night watch was kept, fearing she would suf forms. The best dectors attended her but could give no re-lief. I took her to the most entirent doctors in the East, they said there was no help for her but to outgrow it. With a gad heart I returned home with her, when she became so numb worse that the doctors had to be called in again; they decided that the lossils must be ent off, as the only means of giving relief. My wile would not consent to this, and she ed to try your Limment, which gave relief the very first application, and by a continued use she entirely re-covered. She is now ten years old and fleshy and healthy as exail be desired. Your Liniment is also the best in use for sprains, bruises, cuts, burns, besdaebe, etc., and it will re-move the most severe pains in a few minutes. It also cured caked unider in my cow in a few days. GEORGE FORD.

Indicast for Constratellal The public are cantioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Limment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the sparious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sie inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Dilinois, to whom all applications for Agencies must be addressed. He sure you get it with it ofters H. SPECIAL NOTICES.

Discuse of the Liver-When the celebrated Dr Rush declared that drunkeness was a discuse, he councin-ted a truth which the experience and observation of medical men is every day confirming. The many apparently imane excesses of those who indulge in the use of spiritous liquors, may be thus accounted for. The true cause of conduct, which is taken for infatuation, is very frequently a discused state of the Liver. No organ in the human sysof conciliating in his mission to Constantinople, made an importative demand on Turkey for all concessions previously refused.

tem, when deranged produces a more frightful catalogue of diseases. And if, instead of applying remedies to the manifestations of disease, as is too often the case, physicians would prescribe with a view to the original se, fewer deaths would result from diseases induced by a deranged state of the Liver. Three-fourths of the disnumerated under the head of Consumption, have their sent in a diseased Liver. (See Dr. Gunn's great works.) Indigestion, doppage of the Menses, Continevess, and gene ral irregularity in the action of the Bowels, are diseases originating in the same prolific cause, as is also that dreadful scourge DYSPEPSIA. Those who are afflicted with any of the above enumerated diseases, may rest assured that the source of their maladies is the Liver; and for its correction, the best remedy ever offered to the public is Dr. M'Lanes' celebrated Liver Pill, for the cure of Hepatis, or Liver Com-

> R. R. R. Miraculous Cures. People wonder at the quick efficacy of the R. R. R. Remedies in stopping pain, removing its causes, and curing the most obstinate complaints. Yet there is no mystery in it-there is nothing miraculous about it. True, until the R. R. R. Remedies were introduced, no remedy or medicine was ever known to stop the most torturing pains in a few seconds, and allay the most violent Cramps of Cholera, Neuralgia, Spasms, &c., in a few minutes. Radway's Rendy Relief will stoppain instantly, because it produces a counter action upon the parts where pain is felt. If the patient suffers from Neuralgia, it immediately acts upon the nerves, produces a counter irritation, invigorates the nerves, and imparts vitality to the parts where pain is experienced. The action of the Relief is quick, and the very moment it is applied, it begins to counteract the effects produced by diseased ac-If you are the victim of Cholera, it acts instantlytaken internally, it settles the stomach and allays all painful irritation and sackness, it infuses heat into the blood, and its warm and healthful influence thrills through every portion of the body; it NEUTRALIZES THE POISONOUS MALARIA OF CHOLERA AND CHECKS ITS PRO-GRESS. Applied externally, it allays Cramps and Spasms, and restores the cold-cramped and almost lifeless victim, to life and health. It you are troubled with Sick Headache, the Ready Relief taken internally will neutralize the acid of the stomach, make the stomach sweet and pure, and the breath fragrantly; externally, it will produce a counter action on the scalp and refresh the senses. This, then, is all the mystery about the action of R. R. Relief. it does not lie in the action of the Relief, but in the science of its chemical and pharmacentical combination. So with each of the other R. R. R. Remedies. The Resolvent acts in like manner upon the blood, and the diseased deposits, renovating and resolving away from the system all scrofulous humors and poisonous deposits.

RADWAY'S REGULATORS. For regulating the organs of the system and securing a regular action of each; freeing the bowels from all retained humors, assisting the stomach, aiding the digestive organs in their functional duties, the liver to secrete its bile, and the kidneys and bladder their urine; the bowels to discharge their burden, and the skin to emit a free and healthy perspiration. Such are the effects the R. R. R. Remidies have upon the system, and the mystery of their curing the sick so quick. R. R. R. Remedies are for sale by Druggists generally.

The third section of the 6th article of the Constitution shall be so amended as to read as follows:

Section 3. The Judges of the Supreme Court shall be elected by the qualified voters of the State at large, and the Judges of such inferior courts as the Legislature may establish, shall be elected by the qualified voters residing within the bounds of any district or circuit to which such inferior ludges or Judges either of Law or Koulty may be assumed. Judge or Judges, either of Law or Equity may be assigned, by ballot, in the same manner that members of the General Assumbly are elected. Courts may be established to be holden by justices of the peace. Judges of the Suprema Court shall be thirty-five years of ago, and shall be elected

for the term of eight years,

The fifth section of the sixth article of the Constitution shall be so amended as to read as follows; Sec 5. An Attornay General for the State shall be elect ed by the qualified voters of the State at large, and the At-torney for the State for any circuit or district to which a Judge of an inferior court may be assigned, shall be elected by the qualified voters within the bounds of such district or by the qualified voters within the bounds of such district or circuit, in the same manner that members to the General Assembly are elected; all said attorneys, both for the State and circuit or district, shall hold their offices for the term of six years. In all cases where the Attorney for any district fulls or refuses to attend and prosecute according to law, the Court shall have power to appoint an Attorney pro ten-

Sec. 1. And that no inconvenience may arise from the proposed amendments, should the same be adopted by the proposed amendments, should be same to anopied by the people, it is declared that all judges of the Courts and At torneys contemplated in the proposed amendments, shall continue to hold their offices and exercise the duties and functions thereof, according to the true existing laws and Constitution, until the election of their successors by the Constitution, until the election of their successors by the people, to be held and made under a law to be passed by the General Assembly, (next elected, after the ratification of the resposed amendments by the people,) which law shall pre-cribe the times and places of holding said elections, and which shall be passed without delay, and in strict pursuance of said amendments. Provided, The Leg-Jahure shall appoint a day for holding the election of Judges and Attorneys cienteral separate and apart from the days already prescribed, or hereafter to be prescribed by the Legislature, for holding the elections for State and county of ficers.

JORDAN STOKES, JORDAN STOKES, Speaker of the House of Representatives M. R. HILL,

A Resolution to alter the fourth section of the tenth articles of the Constitution of the State of Tennessee.

Resolved by the General Assembly of the State of Tennessee, e. That the fourth section of the tenth article of the Constitution of the State of Tennessee, be so altered that a new county may be formed out of a portion of the territory now composing the counties of Haywood, Madison, Gibson and Dyer, the line of which shall not run nearer than ten miles of Dyersburg and Jackson; and that a new county may be ormed out of a portion of the territory new composing the counties of McNarry and Hardeman; and that a new councounties of McNairy and Hardeman; and that a new county may be formed out of that portion of Obion county, that lies west of Reelfoot lake on the Mississippi river; and that a new county may be formed out of fractions of the counties of Washington, Sullivan, Hawkina and Greene, by the name of the county of Powell, and that a new county may be ormed out of a portion of the territory now composing the counties of Marion and Bledsoe; which new counties may consist of less than three hundred and fifty square miles, and the lines of said new counties may run nearer than twelve miles to the county seats of said old counties; and said old counties may be reduced below six hundred and twenty-five square miles.

twenty-five square miles.

Be it further resolved, That a new county may be formed out of the south-west portion of Wayne county, and the ed out of the south-west portion of Wayne county, and the south-east portion of trardin county, and that said new county may consist of less than three hundred and fifty aquare miles, and that the county of Lewis, formed out of he fractions of Maury, Lawrence, Wayne and Hickman, by an act passed on the 21st day of December, 1845, chap, 38, entitled "an act to establish the county of Lewis," shall be JOHN K. NASHVILLE, June 28, 1858. Nashville, June 28, 1868.

Cot. L. P. Cheatham:—Deep Sir:—I have been using the "Renping and Mowing Machine" paten-ented by Manney of Illinois, which you are now offering to the citizens of Tennessee. It is a piest mate lands saving Machine. It works seathly and kapidly. The amount cut per day will depend principally upon the speed of the team. If the team can travel four miles per hour, it will Reap or Mow, lifteen acres in ten hours. It is entitled to the confidence of the public. Respectfully.

L. R. Rradiev now managing the force of the Shalley.

Respectfully J. SHELBY,
I. L. F. Bradley, now managing the farm of Dr. Shelby,
make the following statement: We have had for more than
one week, one of Cot. Cheatham's mowing and resping
machines, we havetried it in clover and grain blown and targled, and I now state that it moves and cuts cleaner than the sythe blade, and that it will mow per day as much as 14 hands, and it can reap at least twenty-four screeper day.
